VIDHANA SOUDHA

A magnificent building housing the State Legislature and Secretariat, it was conceived and executed by Kengal Hanumanthaiya, the then Chief Minister, in 1956. It is built entirely of Bangalore granite in the Neo-Dravidian style.

ATHARA KACHERI

This elegant two-storeyed building is directly opposite the Vidhana Soudha. It houses the State High Court. Within walking distance are the Public Library, the Government Museum , the Vishveshwarayya Industrial and Technological Museum and the Venkatappa Art Gallery .

BANGALORE PALACE

Inspired by the Windsor Castle , this palace was built in the Tudor style by a wodeyar King in 1857.

THE LALBAGH

Started by Hyder Ali in 1760 and later completed by Tippu Sultan, this 240 acre landscape park is home to some very rare species of plants. The glass house, inspired by the Crystal Palace in London, is the venue for the bi-annual flower shows.

ISKCON TEMPLE

Built at a cost of Rs.32 crores on a sprawling 7-acre plot, atop the Hare Krishna hill, is a pious blend of modern technology and spiritual harmony.

Infosys Campus

It is one of India 's largest IT companies with over 91,187 professionals, nine development centers in India and over 30 offices worldwide.

Satya Sai Hospital ,Whitefield

Shiva Statue

Gigantic statue of Lord Shiva on the Bangalore Airport Road .

A visit to these shrines is a proof enough that certain traditions and values remain timeless in a fast-changing world,65 ft. high depiction of Lord Shiva seated in Lotus position. Backdrop of Mount Kailash with Ganga flowing from matted rocks. The statue looks majestic during the night with its lighting
