Very Interesting facts!

ChristianityOne Christ, One Bible, One Religion...

But the Latin Catholic will not enter a Syrian Catholic Church.

These two will not enter the Marthoma Church .

These three will not enter the Pentecost Church .

These four will not enter the Salvation Army

Church .

These five will not enter the Seventh Day Adventist Church .

These six will not enter a Orthodox Church.

These seven will not enter a Jacobite church.

There are *146 divisions in Kerala, India, alone for Christians,*
each will never share their churches for fellow Christians!

One Jesus Christ, One Bible, One God???

Muslims..! One Allah, One Quran, One Prophet....! Great unity?

Among Muslims, Shias and Sunnis kill each other in all the Muslim countries.

Religious riots in most Muslim countries is always between these two sects.

The Shia will not go to the Sunni Mosque.

These two will not go to the Ahmadiya Mosque.

These three will not go to Sufi places of worship.

It appears there are

13 divisions amongst Muslims.

Killing / bombing/conquering/ .. each other !

The American attack on Iraq was fully supported by all the Muslim countries surrounding Iraq !

One Allah, One Quran, One Prophet..?

Hindus -

They have 1,280 basic religious texts,

10,000 Commentaries,

more than one lakh sub-commentaries for these foundation books,

Hundreds of dieties and forms of numerous Gods,
innumerable Aacharyas, thousands of Rishies,
And, Hindus speak hundreds of languages.

Still, all of them go to All the TEMPLES.

Think about this !!!
